NEWSLETTER JANUARY 1980

P.O. Box 357
Cronulla 2230

Happy New Year to All

December was a rather quiet month, with respect to diving. Anyhow, the major events were, the Christmas Party, a Bare Island dive and the Royal Lifesaving Society Senior Resuscitation Certificate course.

Many thanks go to Alan Fletcher for providing premises for the Christmas party, and to Peter Moxham for getting the beer to flow. Bare Island dives appear to be of variable quality. On the Club dive of December 16th, visibility was about 20'. One week later it was about 40' then two days later it was back to 20'. This information comes from three different divers!

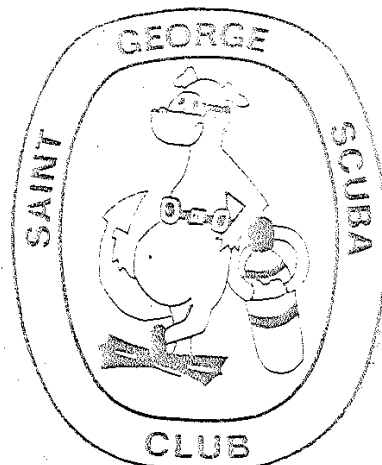

Fifteen St. George members successfully completed the Resusc. Certificate. Congratulations to them and their dive buddies. There cannot be many diving clubs whose members show as much interest as ours in this aspect of diving. Individual members may have enjoyed other activities over the festive period but editorial policy is to restrict the newsletter content to diving of the skin or SCUBA variety.

Coming Events

- Sun. Jan. 13th Bottle dive. Meet at Man'o'War Steps, Lady MacQuaries Chair 9 am. It is advisable to be overweighted and to bring a probe for feeling in the sand.
- Wed. Jan. 16th Meeting, St George Sailing Club 8 pm.
- Jan 26-28th Montague Island. Contact Geoff Sanders for details. 7891094. For those coming, turn off Princes Highway at Batemans Bay and follow the signs to Mossy Point. Ask at the Post Office /General Store for Tony Abbey. Bring 2 tanks, food and eating utensiles, and a sleeping bag. \$25. 0°

The first dive of the year was a bottle dive at Farm Cove on January 13th and proved to be another outstanding success, combining harbour clearing and tourist amusing in one operation. It is hoped that the visibility at Montague Island is somewhat better.

Members holding a Senior Resuscitation Certificate and who wish to attend the Advanced Resusc course please contact Geoff Sanders as soon as possible (789-1094) so that final arrangements can be made. Cost of the course is \$10 but good news, the Club is to contribute a \$5 subsidy per head!

Events For February

Friday 15th Night dive at Shiprock, Shiprock Road, Port Hacking 8 pm.

Wednesday 20th. Monthly meeting Saint George Sailing Club.

Guest Speaker Rudi Kuitert. Rudi is noted for his study of marine fishes and his research with the Australian Museum of natural history. He has also contributed articles to "Skindiving in Australia and New Zealand" including the series "Fish Cousins". We may be able to impose on Rudi to identify some member's unusual fish slides.

At this meeting we also intend to discuss acceptance of the proposed Constitution and By-Laws.

Meeting starts 8pm, but feel free to come earlier for dinner and a drink (or two).

Saturday 23rd-Sunday 24th, Jervis Bay. Ring Peter Moxham (633-3297) by February 1st, as the dive will be advertised in dive shops from that date.

On Diving Flags

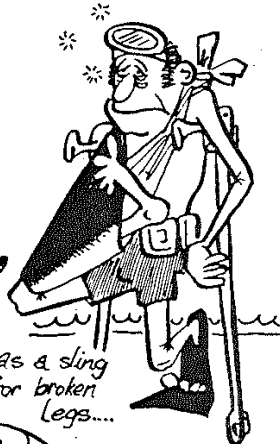

NEWSFLASH! The MARITIME SERVICES BOARD has now ruled that International Code Flag "A" of a minimum size of 30"x36" be displayed on boats to indicate "DIVER BELOW".... some other uses might be....

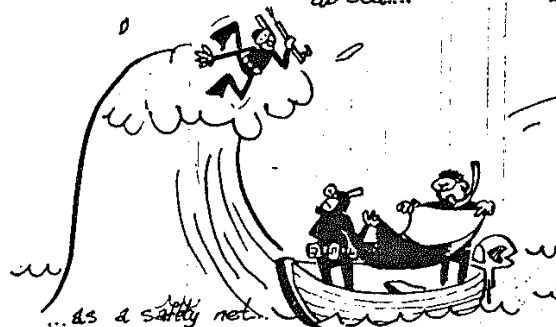

...for burying Seasick Spears at Sea....

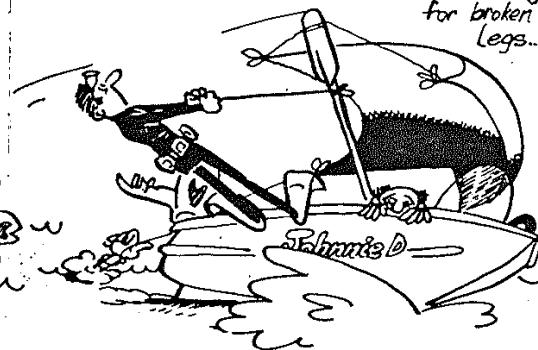

...as a tent....

...as a sling for broken legs....

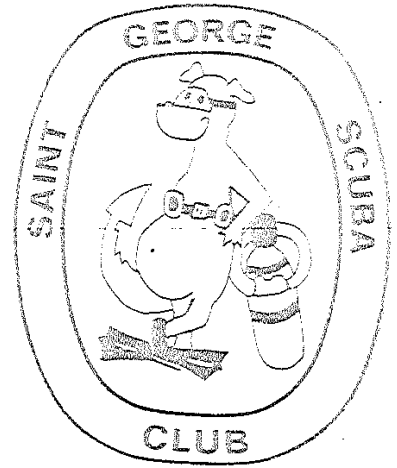

...as a safety net....

...as a sail for use in emergencies....

Hatch, N.

Firstly we would like to thank Rudie Kuitert for coming along to the February meeting and for showing his slides. It was gratifying to have so many people attend such a worthwhile event. In fact there were so many people present that all the spaces on the Broughton Island trawler were filled. If you missed out then please put your name down for the Terrigal boat dive on March 30th as soon as possible by ringing Robin McConville at 6689711 ext 190.

There will be three entry forms at the next meeting explaining all. Those who did the Senior Resusc. course will remember Rick Poole saying that he had some diving films (no surprise there). Well on Tuesday 4th of March the films will be shown at Pro-Diving Services shop, 27 Alfreda Street Coogee at 7:30 pm. Topics cover deep diving, The Red Sea, safety and recompression. All welcome.

A Ten-Pin bowling night, always a popular event, will be on Friday March 7th, Rockdale Bowl, Southside Plaza, Princes Highway Rockdale at 8pm. Bring some food and of course drinks for supper after the bowling. One more note on the Broughton Island dive. Meet 7:30am Sunday 16th March at the Fishermans Co-op Wharf Nelson Bay. Camping has been arranged at the Bardouroka caravan park Fingal Bay on Saturday night. Contact Geoff Sanders for more info . 7891094

Saint George SCUBA Club meets 3rd Wednesday each month at St. George Sailing Club, Riverside Drive Sans Souci 8pm

Past Events Thanks to Rick Poole and Sea-Life for their hospitality during the film night on March 4th. The films included a re-enactment of a diving accident off Catalina Island, California and the subsequent enquiry. Not many of us there picked up all the mistakes made by the divers, which goes to show that poor diving practices can go un-noticed and become bad habits. The Red Sea film was made in depths down to 240' and had some incredible shots of very large morays being hand fed, patted and even taking fish held in a divers own teeth without biting the diver. The ten pin bowl was its usual success and despite all efforts to cause the abandonment of the Broughton Island trawler dive, the Club was able to secure petrol supplies at Port Stephens and the dive went ahead as planned. Even with limited boat space all those divers who went on the Terrigal boat dive on Sunday the 30th were able to get two boat dives. Les Graham took us out to a Grey Nurse-ary which was quite a buzz but unfortunately the 130' depth limited our bottom time to a mere 11 mins. (The tables (U.S.) give the bottom time as 15 mins with 1min at 10', however the currently recommended practice is to take bottom time as time from descentstart to time of reaching the first deco stop, or surface. Ascent rate is 30 feet per min. Deco time is included in dive duration.)

Coming Up Sun April 13th Port Hacking boat dive. 0900 at Gunnematta Bay boat ramp.
Sun April 20th Jervis Bay. 0800 Greenpatch. 2 dives \$10
Ring Peter Moxham 633-3297
Sat May 10th Night Harbour Cruise arranged by Institute Diving Organisation for dive Clubs. \$9 includes food, draught beer and cider, wine softdrinks and disco. 7.30-midnight. Ferry capacity 250, 200 tickets only. Robin McConville 6689711 ext 190.

Parting Shots Any members interested in the RLSA Senior Resusc. course (i.e. practical training of mouth to mouth end heart massage) contact Geoff Sanders 789-1094.

Ditto Sub-Aqua Bronze (practical rescue training for divers)
Contact Peter Moxham.

Members and visitors are reminded that if they enter the lounge areas of St. George Sailing Club during our Meetings then they are obliged to observe club dress regulations (no singlets, thongs etc-)

Next Meeting Wed April 16th 8pm.

SEA DRAGON

April 80

At long last we appear to have space to publish a list of protected species of fish and regulations applying to spearfishing in NSW. The following fish are totally protected.....Elegant Wrasse

Blue Devil
Estuary Cod
Giant Groper

Blue, Brown, or Red Groper may not be taken by net or by spear, amateur line fishermen may take two groper per day. Red Morwong may be taken by spear, however there is a bag limit of 5 fish per day per diver. The spearing of fish on SCUBA is an offence as is the taking of crayfish. No crayfish may be taken by a diver using any device other than a gloved hand and there is a bag limit on crays of 5 per day, further whilst on or near the water, it is an offence for a fisherman to have more than ten crayfish in his possession at any time.

Apart from these regulations be reminded that legal size limits also apply to non-protected fish species, abalone (bag limit of 15) and crayfish. Heavy penalties up to \$500 apply to breaches of these regulations. Occasionally cases of prosecutions are reported in the local or daily newspapers and fines levied may appear to be trivial, however be warned that gear (i.e. any diving equipment not just the gun) may also be confiscated or at least impounded until the time of hearing. If there is some dispute over responsibility or ownership of equipment at the time of arrest it is possible that the buddies' gear may be impounded as well.

It is an offence to transport a speargun on enclosed waters. The "enclosed waters" refers to areas gazetted periodically by the Government and may not be obviously enclosed. It is also probable that some items of diving equipment are classified as offensive weapons viz, powerheads not attached to a shaft and knives of some sizes and designs. Bearing all this in mind, if you intend to go spearing then make sure that you know what you are doing lest you become responsible for your buddy losing his gear.

Due to the great interest in the Port Hacking boat dive on April 13th it was decided at the last general meeting to have another local dive on Sunday 27th of April leaving from Yowie Bay boat ramp at 8 am. People at the April meeting know about it already, so I hope that this newsletter reaches absentees by then.

Also remember... May Sat 10th Harbour Cruise. Robin McConville 6689711 ext 190
Closing date for South Pacific's photographic comp.
Sun 18th Bass Point 9am
Wed 21st May meeting. (The Queensland Sub-branch will hold a simultaneous meeting on Tryon Island) 8pm.
Sat 31st Wreck dive on the Dee-Why. \$15 Space limited to 10 divers only. Geoff Sanders 789-1094.

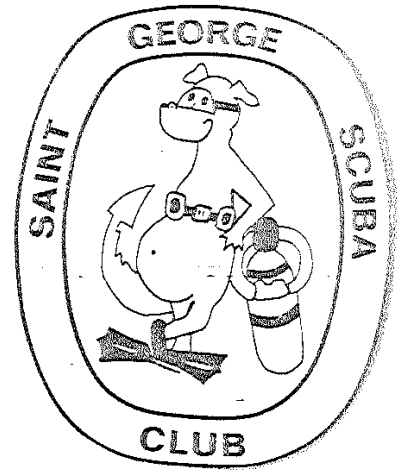

We would like to thank Russell DeGroot for attending the April meeting and showing his slides on diving on Lord Howe Island. If you are interested in this dive or Jarvis Bay, Suva or the Barrier Reef, then contact Russell at Sea-Life Dive Co.

DIVE REPORT: JERVIS BAY, April 20th, - Les' trawler hit a "submerged obstacle??" and bent a rudder, therefore this dive was officially cancelled. However three members and their 13ft. boat still took to the water and reported that the viz was only 20 ft, but they made up for it by playing with Port Jackson sharks and Numbrays.

PORT HACKING, April 27th, - as all of us in Sydney know it was windy and cold this particular Sunday morning, but our beloved President still put in an appearance.

BASS POINT, May 18th, weather was warm and sunny and those who attended swam $\frac{1}{2}$ km to find a sponge garden - then turned back! - viz was reported at 10-15 ft.

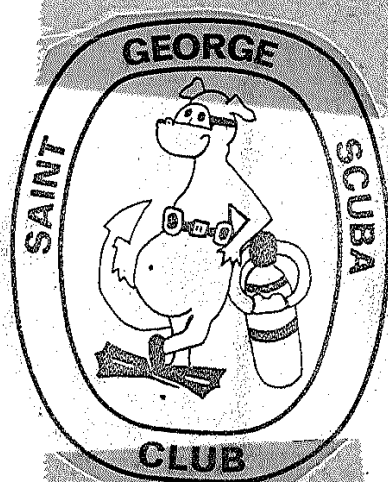

DIVES FOR JUNE -

Sunday June 1st, - WRECK DIVE ON THE "DEE WHY" There are no vacancies left for this dive. Those going are reminded that they MUST have a contents gauge and a Scuba fed buoyancy compensator. Those wishing to do a second dive at Long Reef should take a second tank. Lunch should also be taken.

Sunday June 15th, - NIGHT DIVE AT FAIRLIGHT. Meet by the baths at Fairlight, Esplanade Park Parade at 8.30 pm. Don't forget your TORCH.

CLUB MEMBERSHIP FEES: are now due, The renewal form (enclosed) together with the fee of \$6.00 can be brought to the June Meeting or posted direct to Geoff Sanders at 39 First Avenue Campsie, 2194. NOTE unless Membership is renewed, no further newsletters will be sent out after June.

NEXT MEETING: is Wednesday June 18th, 1980 at the Saint George Sailing Club.

July 80

With the cold of winter now well and truly with us club activities are now becoming rather infrequent. Last months activities had varied success. The wreck dive on the 1st of June was a sell-out but the wreck proved difficult to locate and the divers found themselves on the "Meggol", a World War I minesweeper which had later been converted to an oil barge. Seven of our members competed in the first annual APDC underwater treasure hunt at La Perouse on May 25th. Congratulations to Don McKellar for finding the token which won him a regulator.

P.O. Box 357
Cronulla 2230

In the past twelve months there seems to have been a big upsurge in inter-club activities with the Dacor car rally, the IDO Harbour Cruise, the treasure hunts at La Perouse and at Terrigal, South Pacifics' photographic competition and now the Shrimps Diving Club is to hold a slide night at Manly Warringah Leagues Club on Thursday July 31st, 7.30 pm. Clubs are asked to bring 30 slides representative of their diving activities and abilities for showing. The event is non-competitive, however bring some slides to our next meeting for inclusion.

Insurance. Through our affiliation with the Scuba Divers Association of NSW, we can offer personal insurance through CASICO (a Commonwealth Government sports insurance scheme) for \$4 per member. This scheme has benefits of \$20,000 in the event of death and up to \$20,000 for disablement. Also there is compensation of up to \$150 per week for loss in earnings arising from time off work through injury. The events are covered when playing or practicing the sport i.e. diving. Complete details are available on request or at the monthly meetings but are a bit too long to repeat here. However we need at least 20 members to enter the scheme. Ten have already paid at the last meeting and we need ten more. Those interested please contact Robin McConville (6689711) as soon as possible.

Before we lose your interest with the remaining information in this bulletin we would like to remind unfinancial members that 1980/81 membership fees are now due. To renew, send \$6 with your name and address to us as soon as possible. If you have friends who wish to join, bring them to the next meeting. Remember there is no joining fee, just one annual fee.

We now have sufficient entrants for the CASICO personal insurance scheme. Coverage will commence once the SDA of NSW acknowledges receipt of acceptance. Participants will be advised of this and the date of expiry of the insurance cover.

Owners of DACOR Pacer regulators shipped from DACOR prior to August 1979 are reminded, or advised, that a fault during manufacture which may result in freeflow has been discovered. The fault will be rectified by their DACOR dealer free of charge.

CALENDAR

- Sat/Sun Aug 9/10. Antique bottle show, Parramatta Town Hall, Church Street Parramatta. Over 2000 items on display and hundreds for sale. Find out what your bottles are worth. Entry \$1, children under 12 free.
- Sun Aug 10th Wreck dive from Port Hacking. Unfortunately due to limited space places have already been filled, but more dives will be arranged later for our members. Thanks go to Des Major for his efforts in arranging this dive.
- Wed Aug 20th Monthly meeting, St George Sailing Club, Riverside Drive Sans Souci. 8 pm. Visitor welcome.
- Fri Aug 22nd Prawn night 7.15 pm at Revesby Workers Club, Brett St. Revesby. \$4.50 for remaining tickets. Members friends are welcome. Contact Geoff Sanders 789-1094 for information and bookings. Entertainment will be provided as well as chicken and ham for those who don't like prawns.
- Sun Sept 14th Jervis Bay trawler dive. Meet at Greenpatch 8 am. Places are limited so bookings will be taken from 8 pm the night before the August meeting by Peter Moxham 633-3297 and at the meeting.
- Wed Sept 17th Annual General Meeting. If you have the time or talent to help in the management of the Club, then start to consider making yourself known to the rest of us before the AGM.
- Sun Sept 21st Wreck dive on the "Undolla" \$15 Ten places only.
- Oct Long W/End Montague Island. Dive amongst the seals and the seal pups. More about this later, but keep the date in mind.
- Sun Oct 19th Wreck dive on the "Tuggerah" \$15 Ten places only.

There are other activities planned for the coming months as well as those above but we thought that you should know about these so that you could keep them in mind. A new system for booking for Club activities is being tried over the next few months to avoid unfairness where a member cannot attend a meeting. Bookings for these activities will be taken by Peter Moxham the night before the monthly meeting preceding the event from 8 pm. Bookings will also be taken at the meetings as usual for the remaining places. Members may only have a maximum of 2 places each and where places are limited the Club will cater for its members first before visitors reservations are accepted.

Last but not least. Greg Payne has found a divers knife at a recent Farm Cove dive and has reason to believe that it belongs to a St. George member. If you have lost the said weapon, or as we divers call it, the said tool contact Greg at the next meeting or through someone with his phone number.

Two dives were scheduled for last month, the first, a dive off Wattamolla was cancelled due to bad weather.

The second, a wreck dive on the Tuggera proved to be a good dive. The weather was fine and sunny, however the current was reported to be strong. Viz over the wreck was reduced to about 10ft due to the multitudes of fish. A pity it's not like that when you've got your speargun.

We were unhappy to hear that our Vice-President, Allan Fletcher, had an accident on his motor-cycle this week. We extend to him our best wishes and hope he is soon well again.

On a happier note, the club would like to welcome three new members to our ranks - Don Pike, David Lindsay and Robert White.

Club stickers displaying our new logo are now available to members at the special price of \$1.00 (these stickers cost \$2.00 to print, so get 'em while stocks last).

Anyone interested in playing "Octopush" for the club on a competitive basis should contact PAUL BURCHILL on 542-1529 for information.

DIVES FOR NEXT MONTH

Sunday, 31 August

- WATTAMOLLA - meet in the car park near the beach at 9.00 am. Bring your steaks and snags (and a few tins of ale) for a B-B-Q lunch afterwards.

Sunday, 14 September - JERVIS BAY - this dive has been filled. Anyone wishing to go on the "Reserves" list should contact PETER MOXHAM on 633-3297 (H). For those who are going, the boat leaves Greenpatch Beach at 8.30 precisely. Our usual campsite A37 has been booked for those wishing to stay Saturday Nite. Just for anyone who hasn't been on one of our JE dives before, the boat will take us out in the morning for one dive, then return to the beach for lunch. After lunch we depart for a spear and the second dive. It should be noted that spearguns are not permitted into the National Park, therefore, guns should be dropped off at Les' before entering the park. Peter can tell you how to get there.

Sunday, 5 October - MONTAGUE ISLAND - cost is \$30.00 per head and includes 3 nights accommodation (Fri, Sat & Sun) and diving. To book, ring PETER MOXHAM after 8 pm Tuesday, 16 September. The full price must then be paid at the meeting. Space is limited to 16 divers only. A reminder that each member may only book for two, and members are given preference over non-members. Bookings can also be made at the meeting providing there are vacancies left.

The ANNUAL GENERAL MEETING will be held WEDNESDAY, 17 SEPTEMBER 1980 at 8.00 pm and we would like to see as many members as possible present.

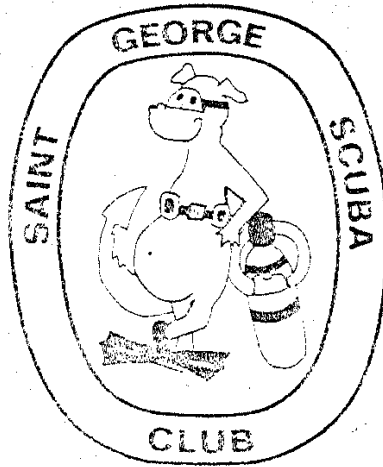

At the AGM it is intended the constitution be amended to allow five committee members instead of the present four. The extra member, being an Assistant Secretary, will assist with the despatch of newsletters, etc.

The usual monthly meeting will be held afterwards.

PRESIDENT:	Peter Moxham
VICE PRESIDENT:	Paul Render
SECRETARY:	Robin McConville
TREASURER:	Geoff Sanders
ASSISTANT SECRETARY/ TREASURER:	Paul Colefax

Other results of our Annual General Meeting were -

- . the creation of the new committee position of Assistant Secretary/Treasurer,
- . the deletion of the last sentence, Paragraph 9.3 of the constitution, and
- . that fees will rise to \$8.00 on 31 June 1981.

Dives Last Month

WATTAMOLLA

- Despite strong currents and high winds, some of the intrepid club members took to the water for what proved to be a good dive.

**JERVIS BAY
STEAMERS POINT**

- Clear water and plenty of fish made this an excellent dive on an excellent day.

**NORTH SIDE
BOWEN**

- Clear cold water, and not much marine life on this dive. Highlight of this one was the pair of Blue Devil fish just begging for a photo. Pity no-one had a camera!

Activities Next Month

- Sunday, 28 September - Sinker Hunt - BARE ISLAND:
Meet at the car park at 9.30am.
A prize will be awarded for the most lead collected.
- Sunday, 5 October - MONTAGUE ISLAND:
This trip has been fully booked.
Accommodation will be at Mossy Point in 3 self-contained flats (Nos 1, 2 and 4) located on the corner of Rivers Road and Annette Parade. Turn off the Princes Highway at Bateman's Bay and take the scenic drive towards Mossy Point, after passing through "Tomakin" and crossing the "Tomago River", take the first dirt road, on the left and proceed to the first intersection (if unable to find the flats ask at the post office). Two tanks required.
- Friday, 10 October - TEN PIN BOWLING, Rockdale Bowl
Members and their friends welcome.
The function room will be booked for supper. For more details contact Geoff Sanders on 789-1094. 8.00 pm.
- Sunday, 26 October - BROUGHTON ISLAND:
Bookings may be made after 8.00pm
Tuesday, 14 October 1980 on 633-3297 (Peter Moxham). Members may book for 2 divers and are treated preferentially. The cost of \$10 must be paid at the October Meeting.

Anyone who is not going to Montague Island but is interested in diving over the long weekend, contact Des Major on 94-1401 (STD CODE 042).

At last the dates for the Advanced Resus Course have been finalised. They are 11, 13, 18 and 20 November. More details next month.

And finally, there will be a party on 27 September. All are welcome. 7-00pm at 63 Wollongong Rd. Arncliffe, bring drinks & food for 3.30.

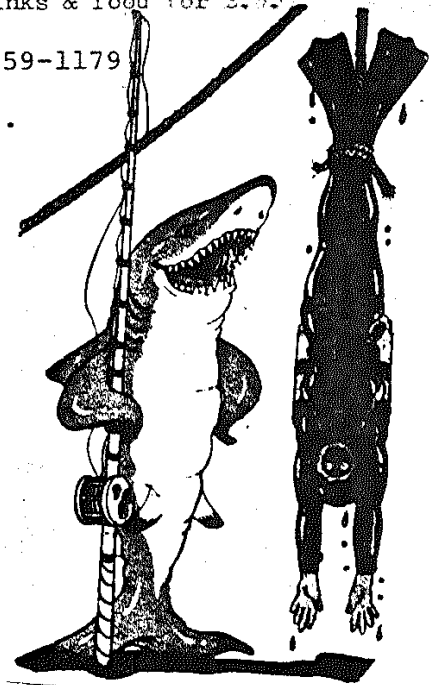

For more information, contact Robin McConville on 59-1179

The next meeting will be Wednesday, 15 October 1980.

SHARK BAIT

After seeing *Jaws*, most people would probably think twice before confronting anything more treacherous than a goldfish. But for well-heeled scuba divers, opportunities to rub noses with a Great White exist. See & Sea Travel Service, Suite 340, 680 Beach Street, San Francisco, California, for example, is offer-

ing a two-week shark expedition off Australia for \$4000, not including air fare. The 1977 expedition features such thrilling adventures as photographing Great Whites from steel cages (just like in the movie). It may cost you an arm and a leg, but it's well worth it. Glub.

Reported to be a good dive with viz at about 20ft.
Congratulations to Don McKellar who won the prize for
the most lead collected.
- Sunday,
5 October : MONTAGUE ISLAND -
High winds ruined this dive to what is normally an
excellent site. Viz was as low as 40ft and our intrepid
group was also unable to dive anywhere near the seals.
The trip across the "Bar" wont be easily forgotten
either!
- Friday,
10 October : TEN PIN BOWLING -
Another good social event. About 14 members and their
friends attended.

(Ph: 633-3297).
- Friday,
7 NOVEMBER : NIGHT DIVE, CLOVELLY POOL -
Meet 9pm at the car park next to the Club House. Don't
forget your torch.
- Sat/Sun,
15/16 November : JERVIS BAY -
This dive has been fully booked. The boat will leave
Greenpatch Beach at 8am sharp. At print date, the
campsite for Friday and Saturday nights has not yet been
confirmed. I suggest you ring Peter Moxham
(Ph: 633-3297) a couple of days before the dive to
confirm which site we have.

Club Logo's are now available for printing on T-shirts, etc. Cost is -
small \$2.00, large \$3.00. Bring your own T-shirt to the meeting so that
we can arrange printing.

Advanced Resuscitation Course - 11, 13, 18 and 20 November

Members taking part in this course should revise the Senior Resuscitation
Course giving particular attention to the rates used for CPR.

The next meeting will be held at the St George Sailing Club on Wednesday,
19 November.

Dr Ian Unsworth, Director of Hyperbaric Medicine at Prince Henry
Hospital, will be with us to talk about underwater medicine and answer
any questions you may have.

Any members wishing to have dinner before the meeting should meet at 7pm
in the snack bar.

A reminder that anyone who has some slides they think members may be
interested in are invited to bring them to the meetings.

Saturday, THE BIG EVENT OF THE YEAR! - CLUB CHRISTMAS PARTY
6 December All members and their friends welcome. The party will be held
at Steve Middleton's residence - 74 Seventh Avenue, Jannali -
and will start at 5pm. The only cost is for beer drinkers who
will be charged \$2.00 per head. Spirit and wine drinkers will
have to bring their own. Bring a Barbeque tea, provided there
is no fire ban. Salad and soft drink will be provided. Geoff
has relented and will serve oxygen to those who need it! If
you have a spare chair please bring it along.

Sunday, SHIPROCK
14 December Meet at the parking area on Shiprock Road at 1pm.

General

On behalf of the Committee, I would like to thank Dr Ian Unsworth for his
very interesting talk on some of the problems of diving.

We are proud to announce we now have 28 members who have their Senior
Resuscitation Certificates - congratulations to these people, this is a
great effort.

Anyone who has not already done this course, but would like to do it, the
next one will be held at Pro Diving Services at Coogee on 1, 2 and 5
December - contact Geoff Sanders on 789-1094 for details.

There will be a Treasure Hunt at "The Haven", Terrigal on Saturday,
29 November.
